YOUNG AMERICA! Agents Wanted in every county in this and adjoining States To sell the above new and improved CORN AND COBB MILL. O all such a rare chance to make money will be offered.
Exclusive State and County privileges will be disposed

on unusually fair terms, by application to the proprietor FARMERS AND STOCK RAISERS, I offer you a Gern and Cob Mill unsurpassed in the Unton, and which cannot be superceded by past or future in-ventions. It is the very Mill which every Farmer and Stock Rai-craffould have; it will crush from 8 to 10 bushels Corn and Cob per hour, with one horse; is easily fitted up and managed; weighs \$40 hs , and as all c ntact of the grinding surfaces is prevented, will last any farmer an ordinary lifehas been fairly tested in the old Bark Mill. Who

is it that wants A WEELE, ON TRIAL for one month, and if it don't give complete satisfaction, to return iff. If there be any man thus disposed, let him n w apealt. Satisfaction is warranted in every case, or the money will be refunded. The Crusher can be affached to horse, water or steam power, which renders it the most convenient Mill south of Mason's and Dixon's line. All other crushers now in the South require too much power, or will soon wear

THE LAWS OF NATURE, a Corn and Coh Mill which admits of a lateral or wabbling motion will, nece sarily, soon wear out; all other Crushers are amenable to this grand odjection, and the Proprietor DARE not dispute it. In the construction of "Young AMER ICA," I have called power, and I near Contradiction I have ned friction, and I cualteness our wonn to the contrary

I have prevented a subbling lateral motion, and all are compelled to acknowledge it, therefore, I assert that it is far uperfor to any other Mill. I am now selling this Tennessee invention at the small sam of FIFTY DOLLARS,

And any one wanting a "good thing," are carnestly request ad to examine the true morits and principles of this Mill A liberal discount made to dealers.

Prop. Wood:—Dear Sic:—I take pleasure in bearing voluntary testimony to the excellence of your Hair Restorative.

Three menths ago my hair was very grey. It is now a dark brown, (the original color) smooth and glossy. The only application I have made to it has been the Hair Restorative prepared by you, and which from the result in my own case.

Its mechanical construction and adaptation to the purposes designed, to crush and grind ear corn. Its great capacity, while doing an immense work with extraordinary
case, its durability is amply provided for. The complete
and entire portableness of the Little Giant, rendering its
greater convenience for plantation and farm use impossible. It requires no mechanical aid or bill of expense to put
it up; any farm hand or servant can put up and set one

What it has done we have witnessed upon several of our sequestrances in St. Louis. Hair once grey met our view, black or brown, as the case might be, being the color of early manhood, and as fine and giossy as silk, and that without any other application than the Rustor-ative. If it has done this upon others, will it not do the tent, and worthy of note. is the fet that there has been no tent, and worthy of note. Is the fiet that there has been no Paient Right speculating or huckstering about the country, as is usual with the thousant bungting make-shift implements that are got up as a trade—morely to get money by selling or paiming off the patent right upon the credulous—then the machine to be abandoned by all parties as a humbing; on the other hand the Patentee and Proprietors of the Little Giant Mills, b-lieving that they can—and determined that they will supply the Agriculturalists and stock raisers of our country with a superior Mill, are permanently en gaged in the business, and have over one hundred thousand dollars invested in the manufacture of these mills, in the same for any of our readers, whose "frosty brows" were once like the "raven locks" of Lockiel's warite chief, if they will try it?
